

GIRLS IN THE GUNKS

When: May 26-29, 2017

Where: Shawangunks, NY

THIS ONE'S FOR THE LADIES:

- Camping at the AAC Campground Friday, Saturday, and Sunday nights!
- Sunday afternoon bouldering clinic
- Bring your food and come hang out with us Saturday night

BOULDERING CLINIC

Feel daunted by overhangs and bouldering problems because you feel like you can't pump out as many pull-ups? Fear not! The Gunks is known for its roofs at all grades! Edith Han will be leading an overhangs and bouldering clinic Sunday afternoon to give you the tips and tricks of pulling those roofs (and no, she still can't do a pull-up).

NOTE: This is not a guided event. We will try our best to pair up followers with leaders, but do not expect it. There are a few places to top-rope as well, but it is primarily a multi-pitch trad climbing area. The Shawangunks still has other great things to offer like hiking and a lot of fantastic bouldering!

Please note that the Gunks is a FEE AREA managed by the Mohonk Preserve (\$17/day or an annual membership for \$95 (which works out to 6 days of climbing to pay for it).
